

## **EUROPEAN ORNITHOLOGISTS' UNION**

### **Registration for the European Ornithologists' Union open**

**We are delighted to announce that the registration for the 10th Conference of the European Ornithologists' Union is open. The conference will be hosted by the University of Extremadura in Badajoz, Spain, on 24 - 28 August 2015.**

**The EOU conference has established itself as one of the largest meetings of ornithologists in the world. It is an opportunity for those working in avian science to learn of the latest developments in this ever-changing and expanding field, and to connect and develop visions with ornithologists from across Europe. If you like to take part at this meeting, you may now register at**

**<http://www.eou2015badajoz.com/registration/>**

**Deadline for registrations are 30<sup>th</sup> April for the early bird registration fee and 15<sup>th</sup> June for the regular registration fee.**

**The scientific programme will cover a broad range of ornithological issues including plenary lectures, symposia, round tables, contributed papers and poster sessions. For more information about the scientific programme please visit our website**

**<http://www.eou2015science.org>**

**If you would like to present your own work, you still have the possibility to submit an abstract until March 27th 2015.**
